NA - Not Available N/A - Not Applicable Note: Information was obtained from the Office of Statewide Health Planning and Development (OSHPD) quarterly financial reports. Other information was provided by the hospitals themselves. Only general acute care facilities were included. Hospitals are ranked by the average number of staffed beds for the year ended Dec. 31, 2023. To the best of our knowledge, this information is accurate as of press time. While every effort is made to

ensure the accuracy and thoroughness of the list, omissions and typographical errors sometimes occur. NA - Not Available N/A - Not Applicable Note: Information was obtained from the Office of Statewide Health Planning and Development (O.S.H.P.D.) quarterly financial reports as of April 15, 2024. Data is audited and revised by hospitals, which could change rankings on the list. Net patient revenue is defined as total revenue less deductions for Medicare, Medi-Cal,

and other third-party insurance payments and provision for bad debt. Operating margin is defined as net operating revenue divided by net operating income. Only short-term general acute care facilities were included. Hospitals are ranked by revenue for the year ended Dec. 31, 2023.
